Proposals and Grants Manager at ActionAid UK (London, UK)

Response deadline: **Expired**

As our Proposal Writer and Grant Manager, your role will be central in securing income from high value donors (worth £100K+ per annum), that fund some of our most critical work. This will involve developing and writing high quality proposals, concept notes and reports in line with our organisational priorities. You will also support the country facing aspects of grant management for a select number of large strategic grants.
